SPEAKER BARRETT: Senator Remmers.

SENATOR REMMERS: Mr. President, this bill was also requested by the Banking Department. The purpose is to amend the laws relating to the payment of dividends by state chartered banks. The amendments clarify an undefined and ambiguous term by providing a formula upon which dividends are to be calculated. LB 996 would simply put state chartered banks on a par with their national counterparts in this area. I would urge you to advance the bill.

SPEAKER BARRETT: Thank you. Is there discussion? If not, the question is the advancement of LB 996. All in favor vote aye, opposed nay. Have you all voted? Record please.

CLERK: 29 ayes, 0 nays, Mr. President, on the advancement of LB 996.

SPEAKER BARRETT: LB 996 is advanced. Anything for the record?

CLERK: Yes, Mr. President, I do. Your Enrolling Clerk has presented to the Governor bills read on Final Reading as of 10:40 a.m. (Re: LB 117, LB 191, LB 790. See page 730 of the Legislative Journal.)

Revenue Committee would report LB 1165, LB 1184, LB 1191 to General File with amendments; and LB 1161 indefinitely postponed. Those are signed by Senator Vard Johnson as Chair. Mr. President, the Health Committee whose Chair is Senator Wesely reports LB 948 to General File, LB 259 to General File, LB 552 indefinitely postponed, LB 668 indefinitely postponed. Those are signed by Senator Wesely as Chair. (See pages 731-33 of the Legislative Journal.)

A new A bill, Mr. President. LB 103A. (Read for the first time by title.) New resolution, Mr. President, LR 277. (Read brief explanation.) That will be laid over, Mr. President. (See pages 733-34 of the Legislative Journal.)

In addition to that, Senator Weihing has designated LB 963 as his priority bill. I have a series of withdraw, LB 547, LB 1228, LR 271CA, LR 270CA, and LR 10CA, all of those motions to withdraw, all will be laid over and dealt with at another time, Mr. President, and that is all that I have.
